We accept online submissions via our [journal website](#). See [Author Guidelines](#) for further information. Alternatively, please contact the journal editors at editor.pp@ubiquitypress.com for more information.

Present Pasts publishes one issue per year. The journal is published online as a continuous volume and issue throughout the year. Articles are made available as soon as they are ready. The journal operates a double blind peer review process. Article Processing Charges (APCs) have been kept to a minimum to ensure that the journal can operate while remaining low cost and fully open access. At £300 the APC is just 10-20% of some competitors. Many research funders and institutions now have open access funds available. Please ask your department, library or funder to check your eligibility. For more information on funding, feel free to get in touch at editorial@ubiquitypress.com.

The journal is published by [Ubiquity Press](#).
